Our company is not affiliated with any manufacturer of full-sized musical instruments or artist. Model names and artist names are used for look-alike examples only. In no way is our company affiliated with any artists or instruments producers mentioned on his catalogues or on this website. Some famous names are used to depict the style of each type of instrument. None of the instruments on this website are exact replicas in proportions, sizes and design. All the products are hand made and hand airbrushed and are not made by insustrial process. The copy of this catalogue is not for business but only for internal uses. Nobody of costumers or companies are allowed by us to use the names and descriptions contained in this document for their business.
